

# Rainbow ice cream

## ingredients :

35 cl of whole liquid cream  
350 g of sweetened condensed milk  
2 spoonfuls of vanilla aroma  
food coloring (red , blue and yellow)  
a pinch of sugar pearls

## utensils :

a plastic box  
a mixing bowl  
5 bowls  
an electric mixer  
a metal spoon  
a freezer

level : medium

time : 20 minutes

## special features :

suitable for vegetarians  
suitable for celiacs

## instructions :

First you must put the bowl and the whips of the mixer in the freezer for 15 minutes. Then put the whole liquid cream (cold) and the vanilla aroma in a bowl. Whip until you get a whipped cream. Next incorporate delicately the sweetened condensed milk with a metal spoon. Then split the mixing into 5 bowls and color the mixes (creat the colours you want!). Pour the mixes in the plastic box alternating colors to get a beautiful rainbow ! To finish sprinkle with sugar pearls. Put in the freezer for 12 hours.

It's ready !!!
