

COOL COOKIES

It's an easy and fast recipe which takes 20 minutes for the preparation and 10 minutes for the cooking

To make delicious cookies for 4 persons, you need:

- 100g of sugar,
- 100g of butter,
- 100g of chocolate,
- 1 tablespoon of yeast,
- 2 tablespoons of vanilla sugar,
- 1 egg,
- 150g of flour.

Utensils you need:

- an oven,
- a pastry tray,
- grease-proof paper,
- 1 tablespoon,
- a bowl,
- 1 fridge.

-  First, you must heat your oven at 180°C.
-  Start softening the butter and mixing it with the sugar and the egg in a bowl
-  Add the vanilla sugar and the yeast and mix well.
-  Step by step, pour the flour stirring not to make lumps. Add the chocolate chips.
-  On a baking paper plate, form small balls with the cookie dough.
-  Be careful, think about leaving 3 cm between the small balls.
-  Bake them in an oven during 10 minutes.
-  At the end of the cooking, put them in the fridge or let them cool in the open air. And you can eat these appetizing cookies...
